

## MEMORIAL UNION - NORTH DAKOTA STATE UNIVERSITY

### FARGO, ND

A hub of student activity at NDSU, the new Memorial Union was designed with extensive student, staff, and faculty input.

#### Renovation:

Highlights included a new steel frame canopy and entrance on the west side, a new, more spacious steel frame art gallery; as well as the addition of the "Bison Connection", a one-stop service center.

#### Addition:

A main feature was a 10,000-square foot multi-purpose ballroom structure using composite steel frame and concrete on metal deck system supported by spread footing foundation. Also included was additional lounge and dining space; new meeting rooms; increase space for student organizations; and a new Food Court with a performance area.

**Project Size:** Renovation: 124,000 SF

**Project Cost:** \$ 22 Million

Addition: 63,000 SF

**Completion Date:** 2007
